About Us

Established in 2006, Shenzhen New Gain Import and Export Ltd. (New Gain Industrial Ltd.) is a professional exporter specialized in beauty and personal care products.

Our product platform – Kiki Beauty World covers five product series, including Hairdressing and Grooming Series, Skin Care and Nail Art Series, Hair and Beauty Salon Accessories, Hair and Beauty Salon Equipment and Hair and Beauty Salon Furniture. To meet varying demands of customers all over the world, we constantly update our catalogue and currently offer more than 2,000 products.

Since we have a wide range of products, we can provide customers with one-stop sourcing service which helps save time and cost in searching and accessing most of the salon and beauty products in China market. A lot of customers enjoyed great experience and got satisfactory products and service in cooperating with us.

Through 17 years' development, we have earned the trust of customers from more than 70 countries and become a leading beauty products supplier in China with our competitive pricing and good quality. We'll be continuously dedicated to delivering quality products and best service for every customer.

Welcome to New Gain – the Kiki Beauty World in China.

PROFESSIONAL ®

WMARK®

Our company is located in Yantian District, Shenzhen city, very close to Yantian Port.

B

INTRODUCTION TO KEY
BRANDS

01

WMARK®

DOING
WELL!

Provides fashionable and excellent
quality of high-grade MEN'S personal
care and consumables.

02

WMARKPRO®

"WMARKPRO" is a subsidiary brand of
our WMARK brand and also positioned
in the professional hair salon market

03

PROFESSIONAL®

LadyMARK®

Provides a series of products with po-
pular style and competitive price on
personal care and professional beauty
and hair area.

STAREX®

NEWGAIN®

NEWGAIN is our classic home appliance
brand. Its characteristics are low price, good
quality, and competitive. Over the years, it has
accumulated a lot of loyal customers and fans.

ONE-STOP SOURCING

Time saving, creating efficient purchasing solutions for our customers

What we do ?

> NEW GAIN's Own Brand Development
Develop, promote and sell beauty and personal care products under our proprietary brand, KiKi – New Gain

> OEM/ODM Orders
Provide customized product branding and package design, adding value to the original product

> Commission Agency
Facilitate the transactions between vendors and buyers and charge reasonable commissions

> Regional Brand Agency
Act as local agency for specific brands in certain countries

> Joint Venture Factory
Have established long-term joint venture factories, enabling us to handle customers' orders flexibly

Our Exhibitions

Why choose us ?

1 Diversified Solutions in Import/Export Trading

- Own-brand products trading
- OEM/ODM orders
- Commission agency
- Joint Venture factory
- Brand agency

2 Competitive Pricing

- Extensive industry experience, enabling us to quickly provide the right products for our customers
- Insights into cost breakdown, providing customized products within customers' budget
- Competitive pricing, supported by stable supplier networks comprised of more than 300 factories and companies

3 Rigorous Quality Control

- Strict pre-shipment inspections
- Quality tracking throughout the transaction process
- In-time sales support and after-sales service

4 Diversified Product Portfolio

- Wide range of products, with more than 2,000 products classified into 5 categories
- Good sense of market trends, keep launching new products each quarter to meet market demand
- Complete international product certifications recognized in different countries

5 Professional Teams and Sound Reputation

- Operations supported by professional teams in design, quality control, sales and finance departments
- Long-term cooperation with logistics partners, ensuring shipment on time
- Accredited AAA credibility in the industry, ensuring customers' financial safety

6 Value-added Service

- Provision of professional package design for free
- Assistance in preparation of import/export documents
- Favorable ocean freight rate offered
